Cochrane Library

The screenshot shows the Cochrane Library website in a web browser. The browser's address bar displays the URL www.cochranelibrary.com/cochrane-database-of-systematic-reviews/index.html. The page features the Cochrane Library logo, a search bar with the placeholder text "Search title, abstract, keyword", and a navigation menu with links to "Cochrane Reviews", "Trials", "More Resources", "About", and "Help". A notice banner states: "Please be advised that there is a problem with the publication date for all records published in the January, February, and March issues of CENTRAL (Issues 1 to 3, 2017). It affects the results display, date limits, and exported records. We are currently working on the problem as a matter of urgency." The main content area is titled "Cochrane Database of Systematic Reviews" and includes a paragraph describing the CDSR as the leading resource for systematic reviews in health care. It also mentions that the CDSR includes Cochrane Reviews, protocols, and occasional supplements. A sidebar on the right features a "Join the discussion" section with an image of a cup of coffee and text about relevant papers for discussion at the next Journal Club meeting. The Windows taskbar at the bottom shows the time as 04:36 p.m. on 31/03/2017.

Cochrane Database of Systematic Reviews

The *Cochrane Database of Systematic Reviews (CDSR)* is the leading resource for systematic reviews in health care. The *CDSR* includes **Cochrane Reviews** (the systematic reviews) and protocols for Cochrane Reviews as well as editorials. The *CDSR* also has occasional supplements. The *CDSR* is updated regularly as Cochrane Reviews are published 'when ready' and form monthly issues; see **publication schedule**.

To explore Cochrane Reviews you can use the **advanced search** or you can browse **by topic** or **by Cochrane Review Group (CRG)**.

Cochrane Reviews are prepared by review author teams, working with CRGs, which are led by one or more Co-ordinating Editors. The Co-ordinating Editors are members of an **Editorial Board**. Dr David Tovey is the **Editor in Chief**. Each CRG takes responsibility for a specific area of health care or policy; see the list of **CRGs**.

DynaMed Plus Library

The screenshot displays the DynaMed Plus Library interface within a web browser. The browser's address bar shows the URL: www.dynamed.com/topics/dmp~AN~T901285/Bronchodilators-for-COPD#anc-14086447. The page features a teal header with 'EBSCOHealth' and 'Calculators' links. Below the header is a search bar with the text 'Search DynaMed Plus' and an orange 'Search' button. The main content area is titled 'Bronchodilators for COPD' and includes options to 'Follow', 'Print', and 'E-mail'. A section labeled 'Updates' lists three recent updates: a general update from March 27, 2017; a link to 'types of inhaler devices (Respir Med 2017 Mar)'; and a link to 'GOLD global strategy on diagnosis, management, and prevention of COPD (GOLD 2017)'. A third update mentions 'inhaled fluticasone furoate/vilanterol' and its effect on exacerbation rates. The ACP logo is visible, along with the text 'Produced in collaboration with the American College of Physicians'. At the bottom, a box identifies the 'Recommendations Editor' as Zbys Fedorowicz, MSc, DPH, BDS, LDSRCS. The left sidebar contains a 'Search Within Text' box and a list of navigation links including 'Overview and Recommendations', 'Related Summaries', 'Overview', 'COPD Disease Severity', 'Recommendations From Professional Organizations', 'Indications and Dosing', 'Inhalation Device Selection and Technique', 'Beta-2 Agonists', and 'Short-Acting Muscarinic Antagonists (SAMAs)'. The Windows taskbar at the bottom shows the time as 04:36 p.m. on 31/03/2017.
